EDUCATION

B.Tech
Kalasalingam Academy of Reseach and Education

2019 - Present   *8.11*

Courses
- Specialization in Artificial Intelligence and Machine Learning

Class XI and XII
NRI Junior College

2017 - 2019   *95.8*

Class X
S.T Anns E/M High School

2016 - 2017   *9.3*

AI AND MACHINELEARNING INTERN

AI and Machinelearning Intern
AICL

12/2021 - 01/2022

Achievements/Tasks
- Ml algorithms and chatbot

Languages
English, Telugu, Hindi(reading+writing)

STRENGTHS

Comunication   Team work   Adaptability

PERSONAL PROJECTS

Food donation System(CSP)-HTML+CSS+Django
- Creating a website that connects the both donar and acceptor

Sales Forecasting-ML
- Predicting the sales price using linear regression, random forest and Grid search

Stock Price Prediction-ML
- Prediction Stock price using Naive bayes and Adaboost

Music recommendation System-HTML+CSS+Python+Java
- created a website that recommend music

Mass Notification System-HTML+CSS+Python
- Mass notification system using python

ACHIEVEMENTS & ACTIVITIES

Hacker rank 5 badge in Python

Hacker rank 5 badge in C++

Hacker rank 3 badge in Problem Solving

Hacker rank 3 badge in java

CERTIFICATES

Divide and Conquer, Sorting and Searching, and Randomized Algorithms
Coursera

Python Data Science
Europe Academy

Neural Network Architectures in Computer Vision
Kalasalingam University CSE department

SKILLS

C++	Python
Full Professional Proficiency	*Full Professional Proficiency*
webdevelopment(HTML, CSS,Javascript)	Django
Full Professional Proficiency	*Full Professional Proficiency*
C	Java
